Green Campus and environmental policy

Green campus and environment policy aims to provide an education and awareness in a clean and green environment to the stakeholders with regard to environmental compliance.

Scope of the policy applies to all employees and students of the Institution/organisation to provide an ecofriendly atmosphere. Green Campus Policy dealt with cleanliness of the campus maintained through proper disposal of wastes and steps to be followed to recycle the biodegradable wastes and utilization of eco-friendly supplies to maintain the campus free. The concept of eco-friendly culture is disseminated among the students as well as rural community through various awareness programmes. Attempts are made to minimise the energy usage and substitute the non-renewable energy sources with renewable energy sources.

❖ **Environment Policy**

- Our guiding principle is to "Green practice and Environmental care." In order to do this, we take steps to make the environment more aesthetically pleasing and pollution- and plastic-free.
- E-waste items delivered to safe disposal, use of bicycles, tree plantation in and off campus, for paperless work teacher use e-notes-test, rain water gathering.
- recharge of bore well, plastic free campus campaign, treatment plant, promotion of LED bulbs, waste management, paper scrap management and so on.

❖ **Divyangnan Policy**

- To address the requirements of physically challenged students and foster a Divyangnan-friendly environment on campus, a specialized Divyangnan Welfare Committee will be established.
- The committee shall offer hassle-free and library, etc. and assure academic advancement.
